BlueCard®
Your health benefits travel with you.

The BlueCard® program is a national preferred provider program (PPO) that offers members who travel or live outside the Blue KC service area PPO benefits when they receive covered services from a preferred provider. Your member ID card will serve as your BlueCard ID card.

Finding a PPO provider when traveling is easy! Simply call 1-800-810-BLUE during normal business hours to be connected to Customer Service at the local Blue Cross and Blue Shield plan. Customer Service will help you find a PPO provider in the area who can meet your needs.

When traveling and receiving care, you will need to get prior authorization before any hospital admission. The phone number to call for prior authorization is on the back of your member ID card. Prior approval is your responsibility.

No matter where you go, BlueCard will help you feel right at home.
